

SFI COMPENSATION PLAN

Referral Rewards

SFI's powerful compensation plan starts with its superb Referral Rewards program. Get instant rewards of up to 200 Rewardical Tokens (RTs) for each affiliate, member, or vendor you refer (paid upon an initial \$5 sale/purchase). There's no limit to how many RTs you can earn. And once you've referred an affiliate, member, or vendor, they become your customer for life!! Learn more about Rewardicals [HERE](#).

Okay, so you've referred a bunch of affiliates, members, and/or vendors! Now the fun really begins as you gain a multitude of ongoing, monthly income streams, starting with Direct Commissions:

Direct Commissions (DC)

- Earn up to 50% of the Commission Volume (CV)* on all purchases by your [Personally Referred Members](#) (PRMs).
- Earn up to 50% of the CV on all purchases by your [Personally Sponsored Affiliates](#) (PSAs).
- Earn up to 50% of the CV on all purchases by your [Personally Referred Vendors](#) (PRVs).

Monthly Earnings Example: Your PRM places an order worth \$28 in CV. You earn up to \$14 in Direct Commissions (50% of \$28).

Note that SFI takes care of all order processing, product shipments, and customer service at no cost to you, and automatically pays you your Direct Commissions for every order placed by your referrals each month!

**Commission Volume is the maximum amount of commissions paid out on a given product/service. Every qualified product for sale on our Zing Network of sites is worth a given CV amount.*

Co-Sponsor Commissions (CSC)

- Earn up to 10% of the CV on all purchases by your [Co-Sponsored Affiliates \(CSAs\)](#).

Monthly Earnings Example: You have 50 CSAs. Their combined orders for the month are worth a total of \$600 in CV. You earn up to \$60 in CSCs (10% of \$600).

TIP: SFI offers a variety of ways to add dozens of CSAs to your group every month. Check out the list of ways [HERE](#).

Generation Override Commissions (GOC)

GOC lets you earn lucrative commissions on persons that *the affiliates in your group refer!* This is a unique feature of SFI and lets you earn up to 5% CV overrides on up

to a whopping TWELVE generations of affiliates in your genealogy—BOTH on any personal purchases and on any retail sales they generate!

Monthly Earnings Example: You have 400 non-personally sponsored affiliates (NSAs) in your group. Their combined orders for the month are worth \$3000 in CV. You earn up to \$150 in Generation Override Commissions (5% of \$3000).

Rewardical Matches

Our Rewardical Matches program is yet another way to handsomely supplement your SFI income, allowing you to earn thousands, or even tens of thousands, additional RT on the activities of your PSAs, PRMs, PRVs, and CSAs.

- Earn 1 RT for every 10 RTs earned by your PSAs (Personally Sponsored Affiliates).
- Earn 1 RT for every 10 RTs earned by your PRMs (Personally Referred Members).
- Earn 1 RT for every 10 RTs dished out by your PRVs (Personally Referred Vendors). Note: Because vendors may be distributing tens of thousands of Rewardicals monthly to their customers, your PRV Match Rewardical Tokens can really add up!
- Earn 1 RT for every 25 RTs earned by your CSAs (Co-Sponsored Affiliates).

Note: Match RTs are automatically deposited in your account the first day of each month.
