IMPORTANT TIPS

1. To understand the SFI Compensation Plan, you must first understand CV ([Commission Volume](#)). Every product on a Zing Network site has a CV value, which is the maximum amount of commissions paid out for that product. [Learn how CV is calculated.](#)
2. For commission information about each product, just click the SFI Toolbox button on the product's details page to view the DC (Direct Commission), EP contribution (Executive Pool), CV (Commission Volume), and VP (VersaPoints) you can earn by selling this product.

Direct Commissions

For all your Personally Referred Members (PRMs)

- Earn 50% of CV on their purchases
- Earn 100% of the VP on all their purchases
- Earn 1 Rewardical for every 10 they earn (EA & TL ranks only)

For all your Personally Sponsored Affiliates (PSAs)

- Earn 50% of CV on their purchases (25% of CV* if you're not an EA or above)
- Earn 1 Rewardical for every 10 they earn (EA & TL ranks only)

**If you're not an EA, the remaining 25% of CV will be deposited in the Executive Pool. If your PSA was assigned to you by your sponsor, this CV will roll up to them (as the [Originator](#) of the PSA). You can reclaim these earnings and receive 50% of CV by becoming an EA.*

PLUS...once you refer a member or sponsor an affiliate, they become your customer for life!** SFI takes care of all order processing, product shipments, and customer service at *no cost to you*, and automatically pays you your Direct Commissions and Rewardicals for every order placed by them each month!

Earnings Example: An order is placed by one of your PRMs that has \$28 CV. You earn a \$14 Direct Commission (50% of \$28)!

**** A customer is a person who is NOT also an SFI affiliate or lives in the same household as the referrer. For example, if your neighbor (who is not an SFI Affiliate) purchases a product via your TripleClicks Gateway, you've just generated a **customer sale** and will earn a Direct Commission.**

To start earning Direct Commissions, just start referring members and sponsoring SFI affiliates. See [this lesson](#) to learn how.

Executive Pool

SFI's Executive Pool provides a simple, easy, and lucrative income stream that ALL SFI affiliates can tap into. At the end of every month we determine the total CV (Commission Volume) for all sales at all our [Zing Network](#) properties, and we put **50% of the CV of EVERY purchase—companywide—into the Executive Pool for our affiliates to share in!** We also put in an additional 25% of the CV for every purchase made by PSAs with non-EA sponsors.

There are TWO ways to share in the pool:

1. Provided you have attained the rank of EA for the month, you earn ONE share of the pool for each of your VersaPoints, up to 1500 shares! Then, *for each additional 500 VP you score, you'll earn another 500 shares!*

Examples:

- * You score 1500 VP for the month, so you earn 1500 shares of the Executive Pool
- * You score 2000 VP for the month, so you earn 2000 shares of the Executive Pool
- * You score 2500 VP for the month, so you earn 2500 shares of the Executive Pool
- * You score 3000 VP for the month, so you earn 3000 shares of the Executive Pool
- * And so on, with no limit to how many total shares you can earn!

VP can be earned for doing a wide variety of actions (see your [SFI To-Do List](#)) The more VP you score, the more you can earn from the Executive Pool! It's that simple.

Earnings Examples:

- * An order is placed by one of your personally referred members that has \$23 CV and 1,500 VP. You earn a \$11.50 Direct Commission (50% of \$23) and 1,500 shares of the Executive Pool.
- * An order with \$30 CV and 2,500 VP is placed by one of your PSAs. You earn a \$15 Direct Commission (50% of \$30) and 2,500 shares of the Executive Pool.
- * An order with \$42 CV and 3,300 VP is placed by one of your PSAs. You earn a \$21 Direct Commission (50% of \$42) and 3,000 shares of the Executive Pool (remember: EP shares are awarded in 500 VP increments).

New affiliates who fail to reach EA status before the end of the month can choose to have their VersaPoints transferred to the next month (one time only).

For purchases by your [PRMs](#), you'll ALSO earn all the VP on the order—which can earn you additional shares of the Executive Pool!

2. Become a **Team Leader** to earn **EEPS** (Equivalent Executive Pool Shares) on points earned by your EAs.

A. As a **Bronze Team Leader**, you'll earn EEPS on all **EAs** in your downline through 2 generations + on all your EA **CSAs**.

B. As a **Silver Team Leader**, you'll earn EEPS on all **EAs** in your downline through 4 generations + on all your EA **CSAs**.

C. As a **Gold Team Leader**, you'll earn EEPS on all **EAs** in your downline through 8 generations + on all your EA **CSAs**.

D. As a **Platinum Team Leader** or a **Diamond Team Leader**, you'll earn EEPS on all **EAs** in your downline through 12 generations + on all your EA **CSAs**.

EEPS Example: You are an STL. The EAs in your first 4 levels account for a total of 25,500 VP this month, so YOU earn a matching 25,500 shares of the Executive Pool.

You can increase your number of EP shares by automatically qualifying for 10-20 new CSAs monthly. [Learn More](#).

Important Qualification Note: You MUST maintain EA status to retain any CSAs you have been assigned. If you lose your EA status, you will forfeit ALL CSAs you've acquired to date.

Accumulate VP for Executive Pool shares by doing the actions on [your SFI To-Do List](#) (earn more by becoming a Team Leader)

S-Builder Co-op can also help you increase the number of Executive Pool shares you earn. [Learn More](#).

Vendor Referrals

Localvantia and **Rewardical** are two of the Zing Network's most exciting properties. As an EA/TL, you can refer vendors to Localvantia and Rewardical and turn on two more income streams. In doing so, you'll automatically earn 1 Rewardical for each 10 Rewardicals dished out by your PRVs (Personally Referred Vendors)! Because vendors may be distributing tens of thousands of Rewardicals monthly, your referral tokens can really add up!
